**Amazing!!!!**

22 Feb 2018

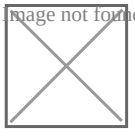

This tour was full of surprises, from the number of steps required to negotiate the cloisters of the pagoda to the serene boat ride around Trang An. Seeing one of the sets for the movie "Kong: Skull Island" was another treat. And I don't think I have ever seen so much gold in one place before. Our guide Vang had a bit of a challenge, conducting the tour in both Vietnamese and English, and sometimes the group got separated -- more instruction regarding where to meet after a few minutes of wandering on our own would have been much appreciated, and at Trang An we could have used a bit of introductory commentary as to what was expected of us and what we could expect to see. The buffet lunch between venues was quite extensive, catering to many different palates; no one should have left hungry when we had adequate time to load up our plates several times over. All in all, a wonderful day well spent, and certainly worth the cost.

**I hope you guys have many amazing tours like this**

Amazing tour. Be prepared to do a lot of walking at the pagoda. Had a lovely boat tour of the caves. A truly memorable experience. The guide

was very knowledgeable and made sure all guests were comfortable. The buffet lunch that was included had a good selection of food. Well worth the money.

2 day of fun! Beautiful sites. Amazing Pagoda. It was hot, but still the views and site exploration was all the worthwhile. And the river cruise was icing on the cake! Absolutely worth, highly recommended. Good value, well priced!
