A must-try tour

08 Jan 2019

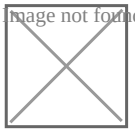

Definitely a tour to recommend for people who want to learn about what Phu Quoc has to offer. Everything is a little rushed - but the farms were all quite small, so we covered a lot of different places in a day! Also another mention and thank you to our guide and driver because although the tour was supposed to end at 4:30pm, they took us to a few more places, and we ended up only arriving back at the hotel at 6pm! They truly went above and beyond - even after a long day!

Solid tour to Phu Quoc

Good organized Phu Quoc tour

The trip is well planned. Safety first. Lunch is good. Snorkeling equipment is new. However we didn?t see a lot of fish as expected.

Lovely guide

The pick-up is very punctual, the trip is almost a boat snorkeling, the first island snorkeling for one hour visibility is moderate, there are many fish and coral reefs, must wear the upstream shoes to go down or it is easy to kick the foot injury. Due to the big winds and waves on the day,

the boat was prone to bumps. The guides were very respectful. We did not go to the third island and stayed in Mayrut for two hours, but most of the members still wanted to return the fare, so they went to the third island to snorkel. The wind and waves have been beaten away from the coral reef area. I haven?t seen it and I can?t go back. I am very grateful to the tour guide for paying attention to our safety throughout the journey. Finally, we will send a boat to save it. Conclusion: The snorkeling time is long considering the weather factor, but if you don't snorkel, it is not recommended to enroll the group because it is on the boat or on the beach.
