It was a different kind of experience especially when you are traveling for a holiday. However, it was an wye opener. Very educational. A must !!!

Relaxing tour

29 Jul 2018

Although the tour guide English is a little hard, it is very friendly and responsible. The entire schedule is just around the corner and both attractions have plenty of time to navigate.

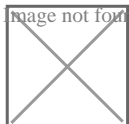

Quite good experiece

Amust if this is your first time in Cambodia / Phnom Penh. The tour group saves you the hassle of looking for transport to and fro, and helps you to purchase your ticket entrance into both S21 and Choueng Ek. It doesn't specifically provide you with additional details or bespoke guide to these areas. The only downside to this tour is if you get picked up first, you will go around the city for other hotel pick ups before eventually heading to both museums
