**Amazing tour!!!**

We did one day tour and it was amazing! He tried to stay away from the bus tourist groups as much as possible, which was amazing. He knows so much about Angkore wat and cambodia. You can't get a better guide

**Spectacular, but enough**

18 Aug 2018

We were clear that we wanted to visit these ruins. In fact, our trip to Cambodia was for this reason. We hesitate between taking 1 or 2 days, finally taking only 1. We believe it was a success. It is impressive to see these buildings and imagine how this civilization was, but there comes a point where everything seems the same. 100% recommended to do the queue time to climb to the highest tower.

**To not lose**

This visit is mandatory. An impressive lesson in history. You're so beautiful. Take bottles of water as it is very hot. Watch out for the monkeys who are always asking for food, but they are spectacular. Book a Tuk Tuk for the whole day as the temples are far from each

other. I think the small tour is enough for those who only have one day.
