### Day 2: Angkor Thom & Ta Prohm & Angkor Wat

**08:00:** Pick up from your hotel. After meeting our tour guide, then we drive to Angkor Thom that was the masterpiece of King Jayavarman VII. Following the occupation of Angkor by the Chams from 1177 to 1181, the new king decided to build an impregnable fortress at the heart of his empire.

We begin to visit Bayon Temple. At the exact center of Angkor Thom, this is an eccentric expression of the creative genius and inflated ego of Cambodia's most celebrated king. Its 54 towers are each topped off with the four faces of Avalokiteshvara (Buddha of Compassion), which bear more than a passing resemblance to the king himself. We continue to visit Ta Prohm "Tomb Raider" fame. Ta Prohm has been abandoned to the elements, a reminder that while empires rise and fall, the riotous power of nature marches on, oblivious to the dramas of human history.

We journey out to the Mother of all temples, Angkor Wat. Believed to be the world's largest religious building, this temple is the perfect fusion of symbolism and symmetry and a source of pride and strength to all Khmers.

Dinner with Apsara Dance show at local restaurant.

For those travelers thirsting for cultural highlights of Cambodia, No visit to Cambodia is complete without attending at least one traditional Khmer dance performance, often referred to as 'Apsara Dance' after one of the most popular Classical dance pieces. Traditional Khmer dance better described as 'dance-drama' in that the dances are not merely dance but also meant to convey a story or message.

Overnight in Siem Reap.

Meals: B, L, D

### Day 3: Angkor Grand Tours

You 'll pick up from your hotel's lobby and departure to the ticket counter for you taking a photo to obtain

Angkor Pass before head to visit Pre Rup, the temple mountain of combined brick, laterite and sandstone construction. Pre Rup is one of the best places to view Romantic sunset through forest & paddies rice fields.

Then we move to the enchanting temple of the Banteay Srei (Citadel of Women), nearly everyone's favorite site. The special charm of this temple lies in its compact size, remarkable state of preservation, and the excellence of its decorative carving.

On the way back stop at Pradark Village, where you will see the villagers making palm sugar, handicraft for selling to tourist. It's a nice chance for you to see the local people living at the country side with their struggling for daily life.

We continue to visit the grand circuit including; the Eastern Mebon, Ta Som, guarded at its corner by stone figures of harnessed elephants, some of which are still in a reasonable state of preservation. Spend your last to Preah Khan "Holy Sword", with vegetation and trees seeming to swallow the ruins. It is one of the larger temple complexes within the historic park, its named by Jayavarman VII in honor of his battle victory against the invading force of Chams, who belonged to a kingdom in what is now Vietnam, in the year 1191. Back to city and drop off at your hotel at **16:00pm**.

Overnight in Siem Reap

Meals: B, L

## Day 4: Siem Reap ? Departure

**08:00:** Pick up from your hotel. We depart for the Tonlé Sap. We will enjoy a boat ride on the Tonle Sap Lake.

This is the largest permanent fresh-water lake in South East Asia and flows into Tonle Sap River, joining the Mekong in Phnom Penh. We will see a fishermen's "floating village" with floating schools, floating police station, etc. It is same as a big village floating on the lake, and the "village" move from place to place following water levels and current. Return to city and stop visit to "Les Artisans D'Angkor – Chantiers Ecoles", this center works with young artisans; the team creates, produce and market a unique collection of ornamental sculpture, lacquer, silk weaving and silk painting. The company promotes fair and sustainable development in order to provide benefits to rural communities. Drop you off at your hotel at **11:30**.

### A Unique Ancient Sacred Temple

24 Dec 2018

At sunset, the towers turn from dark to golden under the setting sun, just mesmerizing! Some monks walking through the hallway strikes a serene religious feeling. Climbing up the tallest central tower with a steep ladder affords a fantastic panorama view. The reflection in the ponds at sunrise and sunset is just out of the world. The world's longest relief (600 meters long continuously) at the platform depicts the history and culture of Khmer Kingdom. A must-see site in anyone's bucket list.

### The state of ruins was phenomenal

06 Dec 2018

We went to see the ruins of Angkor Wat at 4.30am and entered through the seldom-visited East Gate. As we walked in half light of the morning heading for lotus ponds crammed with hundreds of tourists who had entered by the west gate we found a space a settled down to watch the sun rise over the central spires of the temple. It was a great experience.
