### Day 4-Monday: Mekong River - Koh Oknha Tey - Preah Prosop

On this river of time we admire dexterous Khmer artisans dyeing and weaving kroma, the ubiquitous item no Khmer lives without. Explore the riverbank on two wheels if you wish, past Buddhist temples and thatch houses perched on spindly wooden stilts while white oxen wade just offshore. After lunch, we board our marine-grade aluminum skiffs and head towards the tamarind trees of Preah Prosop, a remote village little changed over several lifetimes.

### **Day 5-Tuesday: Phnom Penh - Cambodia**

We show off the Cambodian capital to our passengers by motorized tuk-tuk, the Royal Palace, Silver Pagoda and the National Museum of Cambodia, home to the world's largest collection of Khmer art. For those who wish, we visit the Tuol Sleng Museum of Genocide and the Killing Field or shopping at Russian Market. We bid farewell to 4-night guests who are disembarking in Phnom Penh.

**Great experience**

03 Apr 2018

?What an amazing experience, mere words cannot describe how perfect this Mekong experience is and how seamless you make it for us. The service level is off the chars, the ship is magnificent and the added space is so impressive, the food, the shore excursions so very interesting and varied. It is a wow factor beyond words. I thank everyone from the bottom of my heart for giving me the opportunity to experience this slice of heaven. I had the best birthday ever! I met Kim and Anthony, they were lovely but I have to say your crew on that ship are outstanding, each one perfection. I loved talking to all of them as they all have such amazing stories and back grounds. My journey with you will be in my heart and sould forever, a true feast for the eyes wherever you look.?

**Definitely recommend**

The service on board was impeccable. The crew were smiling, attentive and made sure we were awarded with only the highest standard of hospitality.

**the life of living on the river**

16 Dec 2017

it was truly an eye opener to see how the locals live a life on the river. their floating homes are make shift structures and everyday activities take place on the water. like buying groceries, doing your laundry, going to school, bath and toilet routine, keeping pets, breeding birds and livestock, fishing, cooking, getting gas, etc all of these takes place on the waters of the river. the floating shops, vegetable supplier, floating

school was amazing to see.
