I wish i could stay longer

06 Dec 2018

Interesting tour but there is much more to see in Myanmar. There are more things to see around Inle Lake and the stay there should be longer. I would also include a few days on the beach somewhere in the country

Great Tour of Myanmar

13 Aug 2018

Our tour guides were friendly and knowledgeable and presented an excellent tour of Yangon, Mandalay, Inle Lake, and Bagan, taking us to

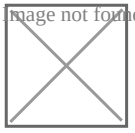

the important areas and monuments, temples, pagodas, and stupas of the country and giving us interesting and valuable info on each spot visited. All of our flights around Myanmar?s were taken care of by the tour, and the hotels provided good to excellent accommodations for us. Our guide in Inle Lake was more than willing to accommodate our special requests and specialize the tour for us. He was particularly skilled in providing good information about the area and taking us to places we requested. I would strongly recommend this tour company for your pre-planned trip to Myanmar.
