Spectacular !

11 Nov 2018

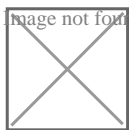

Bring a bag to carry your shoes. The truck riding up to the top of the mountain like a ride of roller coaster. Fun and scared. We took round trip of the cable car but I recommend to use one way up. Going down use the truck because take the cable car down you have to wait on the truck until they fill up with full passengers. It takes a while and not comfortable when it's hot. A lot of local people praying around the Golden Rock. A lot of foods and fruits thrown in trash can while a lot of hungry people out there. I don't know why !! Morning is also good time to visit for sunrise. Too many walking sellers. Many monks inline in front of the Pagoda gate waiting for food donation. They accept cash too. Then why the foods upthere are trashed ???

Eventful trip we had

20 Nov 2017

A very interesting trip. Our guide was very informative and helpful. Nothing was too much trouble. The drive to Kyaiktiyo enabled us to see some of the Myanmar countryside and village life. The truck drive up to the rock was an experience! The site was very busy, but fantastic people watching! We knew very little about Bago but it exceeded expectations - particularly the Golden Palace. Prepare for a long, but really good day. Note that the heavy traffic on the approach to Yangon means that you may not get back to the city by 5pm as programmed.

Fascinating trip to religious sites of Myanmar

10 Nov 2017

This is a great tour to get out and see some of the larger religious sites in Myanmar. Our guide and driver were very friendly and accommodating. The car was nice and clean. The overnight hotels at Golden Rock are somewhat small, but they are comfortable. The ride up to Golden Rock is fun! Be prepare for this to occupy almost two full days, but I suppose this varies depending on how long you want to spend at each site.

First time and there will be second one

16 Mar 2015

First time in Myanmar, we didn't want to miss a thing. I thought Myanmar was smaller and was very far from expecting it had so many wonderful heritage and landscapes. We saw plenty during this trip, all the must-sees anyway, all our guides were truly excellent, the trip went smoothly and we never had to wait. Burmese people are incredibly nice. Hope we will have the opportunity to come back and see more.
