The temple and tunnels tour

30 May 2019

It was such a amazing day. We had a lucky day when our group had

only 4 people. Therefore the guide could share with us more. In the morning, we went to to the temple. That was so beautiful. I really love the tunnels. Highly recommend this tour.

Great guide and service!

27 May 2019

Cao Dai Temple is the center for a small unique religious sect in Vietnam. We visited a stunning temple complex and viewed the daily devotional ceremony. The visit to the Cu Chi Tunnels provides Americans with another view of the war and the efforts of the Vietnamese people to keep foreign powers from dominating their country. Our guide was excellent?well-informed, friendly, and much more proficient in English than other guides we have had in Vietnam.

Nice full day whistle-stop tour!

20 May 2019

I had the pleasure of joining Danny on the tour to Cao Dai and Cu Chi. He was very funny and made the tour interesting for the guests, while always checking that we were all comfortable and were having a good time. He was very patient with the group and came across as very humble.

Great day

28 Apr 2019

We booked this tour and we didn't regret it at all. A one day combination of the Cu Chi tunnels and the temple/cathedral of Cao Dai. Perfect after many walking tours through Saigon. Our guide was Mr. 'Handsome'. He did a perfect job in explaining everything we needed to know, be it the history of Vietnam or the customs of the Cao Dai believers in a very good English, decorated with some good jokes and quite good singing.

Everything was perfectly organized, even in Cu Chi where a lot of tourist were. He always found a shortcut, a detour or a good alternative. Enough cooled water and tissues were available and the lunch in a nice restaurant was traditional and very tasty. We saw everything we expected and could attend a Cao Dai ceremony which was unique for us. Thank you Mr.Handsome. You really made it a trip of our life-time!

A great tour

We went to Cao Dai Temple and Cu Chi Tunnel today and found it very interesting! Our tour guide Peter, is good and very informative, shared a lot of info of Cao Dai and also the vietnam war. The Cu Chi tunnel should be one of the must visit in Saigon, you can see how vietnam soldiers fight with US Army.
