## Excellent tour!

09 Oct 2018

Great tour, highly recommended if you're hoping to see a little more of Thailand outside of Chiang Mai. The white temple is beautiful! Make sure you soak it all in because you can only go through it once and it ends in the exit. I wished I had taken more pictures because I didn't realize i could go back through. This is a long tour so expect to be out all day, but it is totally worth it!

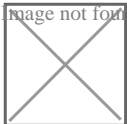

## Very relax trip

21 Aug 2018

The tour as well as the guide were very good and very well organized. I would just suggest to review the Chian Rai part by replacing the Blue Temple with an historical one. Thank you
