Something similar to my country

27 Dec 2018

The pick up was on time and we were put into a minivan. We had a comical tour guide. Overall it was a very affordable and fruitful trip to see the beautiful Temples.

We could see more places

25 Dec 2018

Good mix on itinerary, just not so happy as some of them, the group did not follow the time that the Guide made. Resulting the whole group waiting for them. Wasted a lot of time. COuld have been better use. The Guide should just leave since he had said it before. Otherwise, it is good value and easy going

Be prepare with the long walk

10 Dec 2018

This small circuit tour is surprisingly very tiring, so be prepared, wear only comfortable clothes & sandals. It can get very hot on the temples while exploring. Our driver is very nice, he may speak little english but we appreciated the effort he made by making us feel comfortable during the tour

Something familiar and something different

I always love it when the tour picks me up and sends me back to my hotel. I feel so safe. Tour guide is good, too. Very concern about our safety and always gives reminders.
