Nature with an authentic vibe

26 Feb 2019

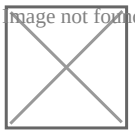

Boat trip across ricefields and rocks is an interesting & nice experience. The nature is great, quiet, relaxing. Not a "must" but worth experiencing.

Beautiful scenery sham about the locals

21 Feb 2019

The scenery and tour down the river were amazing and well worth doing. Just be warned that at the end there is a little floating market where you are expected to buy drinks. Once brought you will find the prices have been inflated 1000% so be strong and say no. Also your tour guide will ask for a tip before he gets you back. Again be strong and tell him/her that you will tip at the end. Otherwise if they are unhappy with the amount they won?t take you back ashore. But please don?t let this put you off. The scenery is well worth it.

you do not have to stop going

18 Feb 2019

They call it the inner Halong. The route is shorter than Trang An. Ah! in
