Money depends on the quality

We booked 3 day 2 nights on the Stellar of the sea from our country, tour guide and driver picked us from our hotel, bus was in the express way, near 3 hours, we arrived in Tuan Chau island, we had quick checked in on board and crew helped us with luggage and checked in cabin on board. Tour guide was very good English, enthusiasm and explained to us about all Viet Nam country and people. The feeling when we saw this cruise was a western boat, modern and very good facility. Cabin has a good size with sea view. Food was excellent, in 3 days on board, we had different food from menu, they had good arrangement for this, most of cuisine that was seafood and Vietnamese food, but all that was good flavour. We liked it very much. About the itinerary that was fantastic and enjoyable, we joined all this but didn't feel tired. The landscape in Ha Long bay is very nice, no word to discrible about it. Many photos were took and we will upload it on facebook for my friends, they will like it, I'm sure. We had very good time on the bay with Stellar of the Sea. Thanks

Return again

I booked this cruise for first time but I visited ha long bay before that.

the feeling for all tourists when they arrive on board that is very nice cruise and moden, I don't think Ha Long bay has this cruise and in my thought I was one of the Peir in Europe. After checking in on board, the cruise slightly moved and forward to the cave for visiting, step by step we can see small islets and Ti Top island. From here we can see halong bay panorama view. I had a great food for both seafood and traditional food. It was a long time I did not chance to eat. very tasty food. Tour guide good at English and always help us when we needed. He arranged tour and took care us carefully and professional. we known his name's Kien. Spent on this board for 2 days, that was very good time and enjoyable for me for a long flight from US. I would love to recommend this cruise to anyone.

The bay itself was very beautiful & less touristy than Halong bay. We did amazing cruise trip & depart from Tuan Chau habour. We did kayaking at the perfect lagoon called Bright cave then swimming around the ship, jump off into the emerald water.
