Day 3: Rice Experience - Kuang Si Waterfalls

Begin today's close-up look at daily Laotian life by heading out for a morning at a community-based living rice farm in the idyllic countryside outside Luang Prabang. Surrounded by mountains and rice paddies, you'll have an opportunity to experience rural life as a Laotian farmer would, trying your hand at various farm activities – or observing them from a traditional Lao rice house balcony, set amidst rice terraces and an organic vegetable farm. You'll have time to check out nearby workshops where local bamboo weavers, blacksmiths and sugar cane processors practice their crafts. Then take a tour of the organic garden to learn how natural herbs are used in traditional medicine.

Lunch will be served at the terrace overlooking the rice field

Later on, we drive to the beautiful Kuang Si Waterfall which is the biggest in the Luang Prabang area with three tiers leading to a 50-meter drop into spectacular azure pools before flowing downstream. The pools also make great swimming holes and are very popular with both tourists and locals

We will also take a short visit to the Bear Rescue Center, which houses a couple of

dozen animals rescued from the hands of poachers and traffickers.

On the way back to the town, we will take a short visit to the Ock Pop Tock Living Craft Center, set serenely close to the Mekong, this beautiful, traditionally styled workshop, where weavers, spinners and batik makers produce top-quality fabrics, offers free tours every half-hour. This place is also the perfect spot to admire the sunset.

Very enjoyable with the natural beauty of Laos. Very admiring the way of conveying tourist guide's information, humorous, easy to understand. The cruise on the Mekong River was truly impressive. Small but comfortable and cozy hotel. It is worth to join!

Great experience!!! Can't help thinking about the interesting days in Laos. Our group of friends have experienced so many things in this country, really impressed with the boat trip on the Mekong river, the river is really big, this side is Laos, Thailand is on the other side, we had seen clearly the life of Thai people from Laos, very special and unique.
