Itineraries

Day 2: Luang Prabang - Pak Ou Caves

Wake up as the sun rises, we will prepare to join the most sacred tradition of Laos, the daily morning alms giving, which dates to the 14th century. More than 200 Buddhist monks depart from various temple to gather their daily meal from the faithful residents sitting quietly on the streets. From there, we will visit the temporary morning market near the former Royal Palace. Just set on the ground, the local people come here to barter their day's catch from rice, to vegetable, to fish, or chicken. This is the best chance to experience the flavor of local life

Breakfast at the hotel, we will first visit the city's oldest temple of Wat Sene. After that, we embark on the leisurely cruise upstream on the Mekong River, which also gives us a breathtaking view of the tranquil countryside, before reaching the mysterious Pak Ou Caves, a 16th century cave monastery filled with thousands of Buddha images, which locates 25 Kilometers North of Luang Prabang in the limestone cliffs overlooking the Mekong river. En route, you will stop at Ban Muang Keo, a well-known village for its traditional Lao rice whisky distilling. You will arrive back in Luang Prabang.

On arrival back in the city, visit the magnificent Wat Xiengthong a superb piece of Lao temple architecture, which presents a sweeping two-tiered roof and ornate mosaics including a beautiful 'tree of life' glass montage on the rear temple wall. Our last stop today is the Traditional Art and Ethnology Center (closed on Monday) to learn about Laos' many ethnic cultures.

The pools also make great swimming holes and are very popular with both tourists and

locals. We will also take a short visit to the Bear Rescue Center, which houses a couple of dozen animals rescued from the hands of poachers and traffickers.

Before returning to Luang Prabang, we stop to visit the Kuang Si Falls Butterfly Park (closed from 15 APR – 30 JUN; 01-14 SEP, & 01 JAN every year), whose mission is to create a research centre studying and publishing about Laos butterflies, host plants and preservation. Laos is also known for its traditional crafts, we will take a short visit to the Ock Pop Tock Living Craft Center, set serenely close to the Mekong, this beautiful, traditionally styled workshop, where weavers, spinners and batik makers produce top-quality fabrics, offers free tours every half-hour.

10 Nov 2018

We have been charmed by beautiful Laos. The days in Laos were the most peaceful days in our life. We woke up early to walk in the park near the hotel, have good breakfast, and visit the attractive destinations in the city. Every day was so great!!

Beautiful landscape

10 Apr 2018

We had 5 days and 4 nights in the largest city in Laos, the roads are wide and there are not too many vehicles, everyone is friendly. The guide took us to a road along the Mekong River, very beautiful. We were also very surprised when we knew that across the river was Thailand.

A great trip

Extremely impressive with Vientiane, a small but clean city. We heard a lot of interesting stories about the history of this city, the tour guide was very informative and fascinating. The accommodation in Vientiane was

very beautiful, we were in a very special-designed hotel, perhaps the traditional architectural style of Laos. Wonderful!!
